# Reed R8050-KIT-NIST Sound Level Meter & Calibrator Kit W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

# Reed R8050-KIT-NIST Sound Level Meter & Calibrator Kit W/Nist Cert

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-02909

**Availability:** In Stock

## Description

This kit pairs the REED R8050 dual-range Type 2 sound level meter with the REED R8090 acoustic calibrator, packaged together in a hard, laser-cut foam carrying case along with a windshield ball and batteries. It gives buyers an out-of-the-box way to both measure sound levels and verify meter accuracy in the field. This version ships with a NIST-traceable calibration certificate for the sound level meter.
