Reed R8060-NIST Sound Level Meter, Bargraph W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8060-NIST Sound Level Meter, Bargraph W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02910

Availability: In Stock

Description

The REED R8060 is a Type 2 sound level meter with triple-range measurement across a 30-130 dB span, a 4-digit LCD, and an on-screen 30-segment analog bargraph for quick visual reference. It supports A/C frequency weighting, Fast/Slow response, Min/Max hold, and an AC/DC output jack for feeding external chart recorders or dataloggers. This unit is supplied with a NIST-traceable calibration certificate.
