Reed R8080-NIST Data Logging Sound Level Meter W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8080-NIST Data Logging Sound Level Meter W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02912

Availability: In Stock

Description

The REED R8080 is a triple-range Type 2 sound level/data-logging meter that stores up to 64,000 timestamped readings to internal memory at user-selectable sampling intervals, with USB connectivity and bundled Windows software for exporting logs to Excel. It measures 30-130 dB with A/C weighting, Fast/Slow response, and a backlit LCD with analog bargraph, and is tripod-mountable for unattended jobs. This version comes with a NIST-traceable calibration certificate.
