Reed R1630-NIST Light Meter, Bluetooth Smart Series W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R1630-NIST Light Meter, Bluetooth Smart Series W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02918

Availability: In Stock

Description

The REED R1630 is a Bluetooth 5.0-enabled light meter from REED's Smart Series, measuring illuminance up to 100,000 Lux (9,290 Fc) and streaming live readings to the free REED Smart Series app on a phone or tablet up to 246 ft away. It supports simultaneous logging from up to 6 paired instruments, has a backlit LCD, magnetic back and tripod mount for hands-free placement, and lets users export logged data as Excel or PDF reports. This NIST-traceable version adds an accredited calibration certificate to the standard instrument for compliance-driven users.
