Reed R5015-NIST Ma Clamp Meter, Trms, Ac/Dc W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5015-NIST Ma Clamp Meter, Trms, Ac/Dc W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02933

Availability: In Stock

Description

Compact auto-ranging mA clamp meter that reads AC/DC current and voltage, resistance and capacitance on a 6000-count backlit display, with diode-check, continuity test, and a non-contact voltage detector built into the clamp tip. True RMS sensing keeps readings accurate on noisy or non-linear loads, and this version comes with a NIST-traceable calibration certificate.
