Reed R5020-NIST Clamp Meter, 400a Ac W/Temp W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5020-NIST Clamp Meter, 400a Ac W/Temp W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02934

Availability: In Stock

Description

Autoranging clamp meter covering AC current to 400A alongside AC/DC voltage, resistance, frequency, capacitance, duty cycle and a wide -20 to 760C temperature range, housed in a double-molded plastic shell with a 30 mm jaw opening. It includes diode-check, continuity, and a non-contact voltage detector in the clamp tip, and this NIST-certified version ships with a calibration certificate.
