Reed R5950-NIST Current Adapter, 200a/2000a Ac/Dc W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5950-NIST Current Adapter, 200a/2000a Ac/Dc W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02941

Availability: In Stock

Description

This clamp-style adapter turns any standard multimeter into an AC/DC current probe, offering switchable 200A and 2000A ranges with a zero-adjust dial and low-battery warning light. It connects via integrated banana plugs and carries a CAT III 600V safety rating for field use on live panels. This unit ships with a NIST-traceable calibration certificate for documented accuracy.
