Reed R5003-ADP-NA Replacement Power Adapter For R5003

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5003-ADP-NA Replacement Power Adapter For R5003

Manufacturer: Reed Instruments

Model: MEA-REE-02943

Availability: In Stock

Description

A 110V mains power adapter made specifically to run the REED R5003 data logger continuously from a wall outlet instead of its internal AAA batteries. Handy as a spare or replacement when the original adapter that shipped with the R5003 is lost or worn out.
