# Reed R5000-NIST Watt Meter W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### Reed R5000-NIST Watt Meter W/Nist Cert

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-02947

**Availability:** In Stock

## Description

The REED R5000 is a true-RMS watt meter that reads up to 6000W, 600V AC and 10A AC along with power factor, shown on a large backlit LCD with max/min and data-hold. It runs on a single 9V battery, includes low-battery and auto-shutoff functions, and carries a CAT III 600V safety rating for general electrical troubleshooting. This unit ships with a NIST-traceable calibration certificate for verified measurement accuracy.
