Reed R5005-NIST Multimeter, Trms, 1000v Ac/Dc W/Temp, Data Logger W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5005-NIST Multimeter, Trms, 1000v Ac/Dc W/Temp, Data Logger W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02949

Availability: In Stock

Description

The REED R5005 is an industrial-grade True RMS multimeter with a waterproof (IP67) housing, a 50,000-count backlit display, an analog bargraph, and Bluetooth connectivity for wireless readings. It covers AC/DC voltage up to 1000V, current, resistance, capacitance, frequency and temperature, with relative, peak, min/max and data-hold modes, and is rated CAT III 1000V / CAT IV 600V for demanding industrial environments. This unit is supplied with a NIST-traceable calibration certificate.
