Reed R5007-NIST True Rms Digital Multimeter, 600v Ac/Dc W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5007-NIST True Rms Digital Multimeter, 600v Ac/Dc W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02950

Availability: In Stock

Description

The REED R5007 is a True RMS digital multimeter with a built-in non-contact voltage detector and a 6,000-count backlit display, measuring AC/DC voltage up to 600V, current up to 10A, resistance, capacitance and frequency. A included Type-K thermocouple probe adds temperature readings, while a low-pass filter helps get clean readings near variable-frequency drives, and the meter carries a CAT III 600V rating with display hold, max/min and continuity check. This unit comes with a NIST-traceable calibration certificate.
