Reed R5008-NIST Multimeter, 600v Ac/Dc W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5008-NIST Multimeter, 600v Ac/Dc W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02951

Availability: In Stock

Description

The REED R5008 is a compact, autoranging digital multimeter offering 4,000-count resolution for AC/DC voltage up to 600V, current up to 10A, resistance, frequency, capacitance and a wide temperature range from -20 to 760C using the included thermocouple probe and adapter. It's housed in a double-molded case with diode and continuity test, relative and data-hold functions, and is CAT III 600V rated, and ships in a carrying case. This unit includes a NIST-traceable calibration certificate.
