Reed R5099-NIST Compact Multimeter W/Ncv W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5099-NIST Compact Multimeter W/Ncv W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02952

Availability: In Stock

Description

4,000-count autoranging pocket multimeter with a built-in non-contact voltage detector, measuring AC/DC voltage to 600V, AC/DC current to 400mA, resistance to 40M Ω , plus capacitance, frequency, diode and continuity checks. CAT III 600V rated in a compact double-molded housing, powered by 2 AAA batteries with 30-minute auto shut-off. Ships with a NIST-traceable calibration certificate confirming measurement accuracy.
