Reed R5002-HOOK Replacement Hooks For R5002

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5002-HOOK Replacement Hooks For R5002

Manufacturer: Reed Instruments

Model: MEA-REE-02965

Availability: In Stock

Description

Replacement test hooks sized for the red test probe on the REED R5002 high-voltage insulation tester, sold as a two-piece pack. These hook-style tips swap onto the tester's probe to make it easier to snag and hold onto terminals, bus bars, or conductors during insulation-resistance testing.
