Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5002-PROBE Replacement Red Test Probe For R5002

Manufacturer: Reed Instruments

Model: MEA-REE-02966

Availability: In Stock

Description

Genuine REED replacement red high-voltage test probe made for the R5002 insulation resistance tester. It is the standard rigid probe accessory used to contact test points when running spot insulation checks up to the tester's rated voltage, and it ships with REED's one-year manufacturer warranty.
