Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5002-TLB Replacement Black Test Lead For R5002

Manufacturer: Reed Instruments

Model: MEA-REE-02967

Availability: In Stock

Description

Genuine REED replacement black test lead for the R5002 high-voltage insulation tester, supplied as a single lead. It restores the tester's black (ground/return) measurement line when an original lead is lost, cut, or worn out, and comes backed by REED's one-year warranty.
