Reed R5002-TLG Replacement Green Test Lead For R5002

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5002-TLG Replacement Green Test Lead For R5002

Manufacturer: Reed Instruments

Model: MEA-REE-02968

Availability: In Stock

Description

Genuine REED replacement green test lead for the R5002 high-voltage insulation tester, sold individually. It is the dedicated guard/ground-terminal lead used in three-terminal insulation resistance measurements to bypass surface leakage current, and it includes REED's standard one-year warranty.
