Reed R9300-Rs Replacement Sensor Tip For R9300

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9300-Rs Replacement Sensor Tip For R9300

Manufacturer: Reed Instruments

Model: MEA-REE-02977

Availability: In Stock

Description

Genuine replacement sensor tip designed for REED's R9300 and GD-3300 combustible gas leak detectors, letting users restore detection accuracy once the original sensor wears out rather than replacing the whole instrument. It installs directly onto the gooseneck probe and is backed by REED's standard one-year warranty.
