Reed R9400-Nist Carbon Monoxide Meter With Temp W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9400-Nist Carbon Monoxide Meter With Temp W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02978

Availability: In Stock

Description

Handheld carbon monoxide meter with a stabilized electrochemical sensor covering 1 to 1000 ppm alongside an ambient temperature readout from -4 to 158F. It has a backlit dual LCD, a user-adjustable audible alarm, max-hold function, and runs on 4 AA batteries for roughly 200 hours of use. This unit ships with a NIST-traceable calibration certificate for verified measurement accuracy.
