Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9450-Nist Carbon Monoxide Meter With Temp/Humidity, Desktop W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02979

Availability: In Stock

Description

Desktop/wall-mount carbon monoxide monitor that simultaneously displays CO concentration, ambient temperature, relative humidity, and the time and date on a multi-line LCD. It covers 0-999 ppm CO with a user-adjustable alarm limit, includes a built-in clock/calendar with max-hold, and comes with a desktop stand for use in homes, offices, or mechanical rooms. This model includes a NIST-traceable calibration certificate.
