Reed R9920-Nist Air Quality Meter, Desktop / Wall Mount W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9920-Nist Air Quality Meter, Desktop / Wall Mount W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02984

Availability: In Stock

Description

Built for continuous room monitoring, this unit reads CO₂, temperature, and humidity on a 7-inch color touchscreen and uses a low-drift NDIR sensor to hold its accuracy over time. It can sit on a desktop or be wall-mounted using the included bracket, with programmable alarm thresholds and logged data exportable to a computer for review. The package includes a USB cable, power adapter, mounting bracket, and a NIST-traceable calibration certificate.
