Reed HT-6510A-NIST Durometer, A Scale W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed HT-6510A-NIST Durometer, A Scale W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-03006

Availability: In Stock

Description

This is the same REED HT-6510A Shore A durometer (10-90 HA range, 0.1 HA resolution, max/average hold, zero-adjust) but supplied with a NIST-traceable calibration certificate documenting full data and measurement uncertainty. It suits QA workflows on rubber, leather and soft-PVC parts where certified, auditable calibration is required, and meets the same ASTM D2240/ISO 7619/DIN 53505 standards as the standard unit.
