# Reed R7900-PROBE Replacement Probe For R7900

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### Reed R7900-PROBE Replacement Probe For R7900

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-03013

**Availability:** In Stock

## Description

A genuine replacement ultrasonic transducer probe for the Reed R7900 thickness gauge (also compatible with the R9700), sold on its own for when the original probe wears out or is damaged. It connects the same way as the factory-fitted probe and restores full measurement function without needing a whole new gauge.
