Reed R7920-NIST Thickness Gauge, Ultrasonic, 0.039/11.8", 1.0/300mm W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R7920-NIST Thickness Gauge, Ultrasonic, 0.039/11.8", 1.0/300mm W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-03015

Availability: In Stock

Description

The R7920-NIST is the Reed R7920 ultrasonic thickness gauge supplied with a NIST-traceable calibration certificate, plus the standard bundle of couplant gel, probe, 5-step calibration block, USB cable and carrying case. Same 0.04-11.8 in (1-300mm) measuring range and 300-reading memory as the standard unit, just documented for compliance-driven inspection work.
