Reed R7000SD-PROBE Replacement Vibration Probe For R7000sd & Sd-8205

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R7000SD-PROBE Replacement Vibration Probe For R7000sd & Sd-8205

Manufacturer: Reed Instruments

Model: MEA-REE-03025

Availability: In Stock

Description

This compact replacement vibration probe is designed for REED's R7000SD and SD-8205 data-logging vibration meters, sensing acceleration over roughly a 0.5 to 199.9 m/s² range. At about 37mm x 16mm and only 99 grams, it's built to swap directly into the meter for continued vibration monitoring on rotating machinery. Covered by a one-year manufacturer warranty.
