# Reed R7000SD-PROBE-BASE Magnetic Base For R7000sd & Sd-8205

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

# Reed R7000SD-PROBE-BASE Magnetic Base For R7000sd & Sd-8205

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-03026

**Availability:** In Stock

## Description

This magnetic mounting base is made for REED's R7000SD and SD-8205 vibration probes, letting the probe be attached securely and repeatably to ferrous machine surfaces for consistent vibration readings. It's a simple accessory that speeds up point-to-point vibration measurement routines without needing to hand-hold the probe. Includes REED's standard one-year warranty.
