

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R7200 Stroboscope, Pistol Grip

Manufacturer: Reed Instruments

Model: MEA-REE-03047

Availability: In Stock

Description

The REED R7200 is a pistol-grip LED stroboscope built for freezing and measuring the motion of rotating or reciprocating machinery without contact, covering a wide 60 to 99,999 FPM/RPM range at a very fine $\pm 0.001\%$ accuracy. It uses 16 bright LEDs for the flash source, offers a 5-digit display with selectable FPM or Hz units and internal phase-shift capability, and runs on a rechargeable 7.4V lithium-ion battery good for around 8 hours of continuous use.
