

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### Reed RT100 Reflective Tabs, Single Strip

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-03049

**Availability:** In Stock

## Description

A 24-inch strip of reflective tape meant to be cut into small tabs and applied to a rotating shaft or component so a photo tachometer can pick up a clean optical trigger point. It is sold as a simple accessory strip rather than a pre-cut multi-tab pack, intended for use with REED and compatible tachometer models.
