Reed R7400-NIST Caliper, Digital 0-6in/0-150mm W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R7400-NIST Caliper, Digital 0-6in/0-150mm W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-03051

Availability: In Stock

Description

A stainless-steel digital caliper measuring 0-6 in / 0-150 mm with a large 6-digit LCD readout, inch/mm unit switching, a zero-reset button, and a slide lock screw to hold a reading in place. Rated accuracy around ± 0.001 in (0.03 mm) with 0.0005 in (0.01 mm) resolution, and it runs on a single 1.5V LR44 cell with auto shut-off. This NIST-certified version includes a traceable calibration certificate with full data and uncertainties, and typically ships with a hard case and screwdriver.
