Reed R8005-NIST Laser Distance Measurer 164ft, 50m W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8005-NIST Laser Distance Measurer 164ft, 50m W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-03052

Availability: In Stock

Description

Reed's R8005 laser distance meter reads out to 164 ft (50 m) with sub-3mm accuracy, storing up to 99 readings in memory. Its backlit multi-line LCD supports one-handed use and can compute area, volume, and length totals, including indirect Pythagorean measurements for awkward spots. Includes built-in bubble levels and comes with a NIST-traceable calibration certificate.
