Reed R8010-NIST Laser Distance Measurer 328ft, 100m W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8010-NIST Laser Distance Measurer 328ft, 100m W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-03053

Availability: In Stock

Description

The R8010 extends REED's laser distance meter line to a 328 ft (100 m) range with IP54 dust/splash resistance for tougher job-site conditions. It shares the one-handed operation, area/volume/length calculation, and Pythagorean indirect-measurement functions of the R8005, with memory for up to 20 stored readings. Ships with a NIST-traceable calibration certificate.
