Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R16X0-KIT Smart Series Kit, Thermo-Hygrometer, Sound Meter, Light Meter, T/C Thermometer And Anemometer W/

Manufacturer: Reed Instruments

Model: MEA-REE-03057

Availability: In Stock

Description

This all-in-one Smart Series bundle pairs REED's Bluetooth-enabled vane anemometer, thermo-hygrometer, sound level meter, light meter, and thermocouple thermometer in one soft carrying case. Each handheld connects wirelessly (Bluetooth 5.0, up to about 75 m range) to the free REED Smart Series app, letting a technician log readings from up to six instruments at once and export the results as PDF or Excel reports. It's built for HVAC, environmental, and facilities techs who need several types of readings on one job without carrying separate meters.
