Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R16X0-KIT2 Smart Series Environmental Kit, Anemometer, Sound Meter, Light Meter And Carrying Case

Manufacturer: Reed Instruments

Model: MEA-REE-03058

Availability: In Stock

Description

This environmental testing bundle combines REED's Bluetooth Smart Series vane anemometer, sound level meter, and light meter in a padded carrying case with a side accessory pouch. Each meter pairs automatically with the REED Smart Series app over Bluetooth 5.0, so air velocity, noise level, and illuminance readings can all be data-logged, reviewed, and shared as PDF or Excel reports from one phone or tablet. It's aimed at facility and building inspectors who need to check airflow, sound, and lighting conditions in a single site visit.
