Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

SinoGnss R60 Field Controller Incl. Survey Master Software

Manufacturer: ERP Manufacturer #15

Model: SUR-SIN-03396

Availability: In Stock

Description

A rugged Android field data collector built around an eight-core Qualcomm processor, with a 5.5-inch sunlight-readable touchscreen and a backlit QWERTY keypad for fast entry in the field. It carries an IP67 dust/waterproof rating, ships with 4GB RAM and 64GB storage, and its 9000mAh battery is rated for more than 30 hours of continuous use. It comes bundled with ComNav's Survey Master software, which handles RTK, PPK and static survey workflows plus stakeout and topographic data collection.
