SinoGNSS LS300 Laser Scanner Car Mount Kit

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

SinoGNSS LS300 Laser Scanner Car Mount Kit

Manufacturer: ERP Manufacturer #15

Model: SUR-SIN-03404

Availability: In Stock

Description

This roof/vehicle mount kit attaches the LS300 laser scanner to a car for fast mobile scanning of roadside infrastructure and corridors. It measures roughly 34x25x16cm, weighs about 1.9kg, is made of aviation aluminum and ABS, and installs in under 3 minutes, letting a survey crew capture point-cloud data while driving.
