

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA GMP111-0 Mini Prism, Offset 0mm

Manufacturer: Muya
Model: SUR-MUY-03982
Availability: In Stock

Description

The GMP111-0 is the same mini prism assembly as the GMP111, offered as the zero-offset variant used when the prism must read the true ground point without a constant adjustment.
