SinoGnss P6 Field Tablet Incl. Scan Master Software

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

SinoGnss P6 Field Tablet Incl. Scan Master Software

Manufacturer: ERP Manufacturer #15

Model: SUR-SIN-04450

Availability: In Stock

Description

A rugged Android 11 field tablet with a 6-inch sunlight-readable HD touchscreen and 8-core 2.0GHz processor, built to IP67 dust/waterproof standards and able to survive drops from 1.2 meters. It pairs with SinoGNSS survey field software for CAD-based stakeout, data collection and layer management, and runs common third-party GIS apps such as Esri Collector and FieldGenius.
