MUYA WT319A Infrared Thermometer

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA WT319A Infrared Thermometer

Manufacturer: Muya
Model: MEA-MUY-04458
Availability: In Stock

Description

The WT319A is a handheld non-contact infrared thermometer designed for quick, everyday surface-temperature checks around the home, workshop, or industrial site without needing to touch what's being measured. Like other models in Muya's WT3-series IR thermometer line, it's a pistol-style, single-point unit meant for straightforward point-and-read temperature scanning.
