

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA WT87B Anemometer

Manufacturer: Muya
Model: MEA-MUY-04462
Availability: In Stock

Description

The WT87B is an all-in-one professional digital anemometer that measures wind speed from 0-30 m/s (selectable in five units) plus ambient temperature and humidity in one handheld device. It stands out from the base WT87A by adding Bluetooth and USB connectivity for logging readings to a phone or computer, along with air-volume calculation, wind-chill display, and automatic max/min/average tracking.
