MUYA WT85B Sound Level Meter

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA WT85B Sound Level Meter

Manufacturer: Muya
Model: MEA-MUY-04466
Availability: In Stock

Description

This handheld sound level meter measures noise from 30 to 130 dBA with A-weighted frequency response, giving accurate readings for workplace, traffic, or environmental noise checks. The Bluetooth variant adds wireless data logging of up to 20,000 readings straight to a companion app, on top of standard max/min capture, an audible alarm, and a backlit display. It's built to be compact and portable for quick spot-checks by safety officers or facility staff.
