# MUYA WT635 Wood Moisture Tester

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### MUYA WT635 Wood Moisture Tester

**Manufacturer:** Muya  
**Model:** MEA-MUY-04473  
**Availability:** In Stock

## Description

This wood moisture tester gives fast pin-type readings of moisture content in timber and similar building materials, helping carpenters, flooring installers, and lumber buyers avoid using wood that's too wet to work or install. It typically features a simple digital display, quick single-button operation, and auto power-off to save battery, making it a straightforward go/no-go check before finishing or installing wood products.
