MUYA WT8821 Oxygen Monitor

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA WT8821 Oxygen Monitor

Manufacturer: Muya
Model: MEA-MUY-04483
Availability: In Stock

Description

The MUYA WT8821 Oxygen Monitor is a compact electrochemical-sensor instrument for spot-checking and monitoring oxygen levels from 0 to 25% VOL, with a fast sub-15-second response to changing conditions. It supports MAX/MIN recording, adjustable alarm thresholds, field calibration, and both C/F display, giving safety personnel flexible control over how readings are tracked. Running on standard AAA batteries with auto or manual shut-off, it's built for portable, on-demand oxygen safety checks.
