MUYA WT8806 Carbon Monoxide Monitor

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA WT8806 Carbon Monoxide Monitor

Manufacturer: Muya
Model: MEA-MUY-04488
Availability: In Stock

Description

The MUYA WT8806 is a professional carbon monoxide monitor aimed at industries such as petrochemical, metallurgy, and gas distribution where CO exposure is a real risk. It covers a 0-100 ppm range with 0.1 resolution and +/-5% FS accuracy, reacting in under 30 seconds via a color LCD readout. The unit pairs sound/light/vibration alarms with a 120,000-point data logger in a dust- and explosion-resistant rubberized housing, powered by an 1800mAh lithium battery good for a full workday.
