MUYA WT8827 Freon Gas Detector

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA WT8827 Freon Gas Detector

Manufacturer: Muya
Model: MEA-MUY-04490
Availability: In Stock

Description

The MUYA WT8827 is a compact handheld Freon (refrigerant) gas detector for catching leaks in air conditioning, refrigeration, and cold-chain systems before they turn into costly losses or safety hazards. It uses a sensitive probe tip to pick up common refrigerant gases and gives fast audible and visual alerts, making it a go-to tool for HVAC technicians and facility maintenance teams doing quick leak checks.
