# MUYA GM523 Pressure Manometer For Natural Gas

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### MUYA GM523 Pressure Manometer For Natural Gas

**Manufacturer:** Muya  
**Model:** MEA-MUY-04505  
**Availability:** In Stock

## Description

The MUYA GM523 Pressure Manometer for Natural Gas is a companion model in the same gas-pressure-testing line, built for checking natural gas line and appliance pressure with a digital display, selectable pressure ranges, and multiple unit options. Like the GM521, it supports data-hold and max/min readings so technicians can capture and compare pressure test results on the job. It's intended as a reliable field tool for HVAC and gas installation professionals verifying supply pressure is within spec.
