MUYA YY-1088W Soil Tester

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA YY-1088W Soil Tester

Manufacturer: Muya
Model: MEA-MUY-04516
Availability: In Stock

Description

A compact, pen-style soil tester built for growers who want a fast read on root-zone conditions. In one probe insertion it reads soil electrical conductivity, moisture and temperature, with two-point EC calibration for accuracy across different soil types. Its slim, button-battery-powered body makes it easy to carry between garden beds, greenhouses or potted plants.
