MUYA GM650B Grain Moisture Meter

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA GM650B Grain Moisture Meter

Manufacturer: Muya
Model: MEA-MUY-04537
Availability: In Stock

Description

A compact digital grain moisture tester built for fast field or warehouse checks across common cereals and oilseeds such as wheat, maize, rice, and soybean. It applies automatic temperature compensation to keep readings accurate (around 0.5% accuracy with 0.2% repeatability) over a 0-40C working range, and runs off a single 9V battery with an auto power-off timer to extend battery life.
