MUYA GM650C Grain Moisture Meter

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA GM650C Grain Moisture Meter

Manufacturer: Muya
Model: MEA-MUY-04538
Availability: In Stock

Description

A digital multi-grain moisture meter aimed at repeated daily testing, covering wheat, maize, rice, soybean, and similar crops with automatic temperature compensation and an adjustable calibration offset for regional crop variation. It carries the convenience features typical of this class of grain-tester line -- data hold, low-battery warning, and auto shutoff.
