MUYA GM511 Pressure Manometer

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA GM511 Pressure Manometer

Manufacturer: Muya
Model: MEA-MUY-04541
Availability: In Stock

Description

A digital handheld manometer for measuring gas/air pressure and differential pressure, suited to HVAC and general pressure-testing work. This entry-level range option covers roughly +/-2 psi with about +/-0.3% accuracy, and includes a backlit LCD, data hold, max/min/average readings, and auto zero-offset compensation.
