MUYA GM520 Pressure Manometer

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA GM520 Pressure Manometer

Manufacturer: Muya
Model: MEA-MUY-04542
Availability: In Stock

Description

A mid-range digital manometer sharing the same pressure-sensing design as the rest of the lineup, built for a wider measurement span (about +/-5 psi) suited to tougher HVAC, ductwork, and industrial airflow checks. It keeps the series' multi-unit display, backlit screen, and low-battery/auto-shutoff protection.
